

Katherine S. Morris
3/11/90 to 5/6/12

For Kathy's Sake, we're inviting a special group for lunch to talk about

"The Katherine Morris Military Spouse Protection Act"

My Friend, the loss of one life is one life to many.. and our goal is to both introduce new and/or **strengthen** current legislature to further protect our precious military spouses.

Background: Under questionable circumstances on May 6, 2012 a promising life ended as a result of being a victim of Basic Allowance For Housing Fraud..any penalties for the perpetrators were waived and the spouse eventually received a \$100,000 payout. Sadly, there was no interruption of regular programming to announce her passing and her story was over shadowed by other national events. Nonetheless it was still a tragedy that no family should face. Kathy was a beautiful shy girl, a fourth year Univ. of Maryland student. Help us to help others in her memory.

Dr E. Faye Williams writes *"We in the National Congress of Black Women are very concerned about the mistreatment of women. We are deeply saddened that the military has not given more assistance in Kathy's case. We are standing with Kathy's mom, Mrs. Marguerite Morris, and will do all we can to bring some form of justice for the tragic loss of her daughter."*

You can help us bring national attention to this effort to protect others by helping..
